To whom it may concern,

The cat situation has become a big problem. I have caught and taken at least 10 wild cats at our business Dylan Vargas Mixed Martial Arts Academy in the past few months . i could catch cats everyday but due to the high amount of cats being turned in to the Humane Society I have to call to make sure they have room for more. Sometimes I call and there's no room available or other times they say just only 1 this week I know they are doing their best to accommodate me because the wild cat problem is rampant Due to this Covid virus we have been trying to have our Martial Arts Classes outside in the parking lot outside of the school but due to the cat feces, it is impossible. And when it rains and the sun comes out the smell is unbearable. So we can not have classes outdoors.

I want to thank the humane society for all their help. They are doing their utmost to accommodate me.

Thank you
